Dear Ms. Stefan,

Within the context of European Union Leonardo Da Vinci Transfer of Innovation project themed as "The 8 Solutions For Fighting Early School Leaving in VET" carried out by our directorate and three European Union member states, it is required to establish a commission consisting a vice-principal, a counsellor, an English Language Teacher and two other teachers approved by the headship of schools in the vocational high schools(IMKB Vocational High School, Aslan Cimento Vocational High School and Denizyildizlari Vocational High School) of our district. That the members of the project comission consist of the teachers whose names, surnames, schools and branches presented in the addition is approved by our directorate.

It is kindly submitted for your information.
